

Coronavirus Disease 2019 (COVID-19)

How to Wear Cloth Face Coverings

Cloth face coverings are an additional step to help slow the spread of COVID-19 when combined with [every day preventive actions](#) and [social distancing](#) in public settings.

- **Who should NOT use cloth face coverings:** children under age 2, or anyone who has trouble breathing, is unconscious, incapacitated or otherwise unable to remove the mask without assistance
- **Cloth face coverings are NOT surgical masks or N-95 respirators.** Surgical masks and N-95 respirators must be reserved for healthcare workers and other medical first responders, as recommended in CDC guidance.

Wear your Face Covering Correctly

- Wash your hands before putting on your face covering
- Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily

Use the Face Covering to Protect Others

- Wear a face covering to help protect others in case you're infected but don't have symptoms
- Keep the covering on your face the entire time you're in public
- **Don't** put the covering around your neck or up on your forehead
- **Don't** touch the face covering, and, if you do, wash your hands

Follow Everyday Health Habits

- Stay at least 6 feet away from others
- Avoid contact with people who are sick
- Wash your hands often, with soap and water, for at least 20 seconds each time
- Use hand sanitizer if soap and water are not available

Take Off Your Cloth Face Covering

Carefully, When You're Home

- Untie the strings behind your head or stretch the ear loops
- Handle only by the ear loops or ties
- Fold outside corners together
- Place covering in the washing machine (learn more about [how to wash cloth face coverings](#))
- Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing.
